CONCEALED CISTERN

QUALITY THAT  
CAN'T BE  
CONCEALED

**CONCEALED CISTERN**  
NOTHING LESS  
THAN PERFECTION

Every aspect of our concealed system has been designed and built with your safety, security, and reliability in mind. Straightforward and standards-compatible construction ensures easy installation regardless of wall type and bathroom layout giving you guaranteed high-performance flushing with every use.

**SANIPEXGROUP**

# INVISIBLE CISTERN – VISIBLE RESULTS

This single solution cistern is perfect for every installation. Whether your experience can be measured in days or decades, the simple and intuitive design of our concealed cistern means you'll be up and running in no time. And once installed, you'll enjoy a lifetime of water efficiency thanks to the high-performance innovation in our and highly efficient universal fill and flush valves.

**CONCEALED CISTERN**  
NOTHING LESS  
THAN PERFECTION

**SANIPEXGROUP**

# FOR EVERY BUILDING, A SOLUTION

In-wall, dry-wall, or wet-wall – our wide range of connection solutions are robust, reliable, and ready for any application. Wherever you're building, whatever you're building, we have a solution that fulfils your needs and meets your local building requirements.
